An Emphasis on Excellence [Entire Talk]

Morris Chang, *Taiwan Semiconductor*

April 23, 2014

Video URL: <http://ecorner.stanford.edu/videos/3330/An-Emphasis-on-Excellence-Entire-Talk>

Morris Chang, founding chairman of the Taiwan Semiconductor Manufacturing Company, reflects on his journey of bringing revolutionary changes to his industry, in conversation with Stanford President John Hennessy. Chang also touches on discovering new business models, his thoughts on leadership, and the importance of gratitude in one's career.
