

## Stanford eCorner

### Igniting the Foundry Industry

Morris Chang, *Taiwan Semiconductor*

April 23, 2014

Video URL: <http://ecorner.stanford.edu/videos/3331/Igniting-the-Foundry-Industry>

In conversation with Stanford University President John Hennessy, TSMC Founding Chairman Morris Chang talks about the rapid increase in fabless semiconductor companies after the creation of his revolutionary chip-making plant. Chang also discusses how TSMC showed competitors in Taiwan how to be a world-class company.
