The Numbers Matter

Lisa Lambert, *Intel Capital*

April 28, 2014

Video URL: <http://ecorner.stanford.edu/videos/3358/The-Numbers-Matter>

Lisa Lambert, vice president and managing director of Intel Capital, shares statistics on women-led businesses and venture capital investment in that space. Lambert also discusses a nonprofit she founded that aims to accelerate women-executives' careers, and recounts her own career in tech, from early days as an engineer to her current role directing the investment arm of Intel Corp.
